Kevin,

DEQ received your 6/21/10 letter regarding applicability of Section 401 certification for maintenance dredging in Portland Harbor. Sorry for the delayed reply..., apparently EPA didn't receive their cc copies & summer vacation schedules have been a challenge. EPA & DEQ agree that your 6/21/10 letter resolves our dispute.

I want to thank you for the time & effort you & your staff put into this effort & particularly how you came to this effort with an open mind & a problem-solving attitude.
